LYNDIA~
THE BONDAGE YEARS

More of these pages from that wonderfully Southern-tied doll who was the bound Beauty of countless dreams (and considerable reality) during the decade prior when she was co-conceiving these costumes and bondages and starring in them for mail-order customers. Lyndia is the genuine bondage article. For approximately a dozen years she was the centerpiece in an ongoing personal bondage relationship with the man who tightened, then knotted her gags and ropes and cords and then shot these and the photos that appeared in the preceding three volumes of our Lyndia retrospective. The good news is that this will not be the last of the Lyndia magazines. She really was—stil is, really—an exquisite, incomparable, complete appealing bondage doll, someone's very own private Sweet Gwendoline.
